

Country Day Montessori School

New Student Enrollment Process

Welcome! Selecting your child's educational path is one of the most important decisions you will make as a parent. Country Day Montessori's long history in the area, combined with the many opportunities for family engagement and friendship, has helped to evolve CDM into a strong community. We think of it as enrolling families not just students, and our goal is to create a mutually beneficial relationship for everyone involved. Please visit our website for more information.

We operate on a traditional school year calendar, beginning in August and ending late May. Most of the enrollment for the upcoming school year happens in April/May of that year.

We invite you to take the first step in our admission process:

1. Schedule an observation if you have not done so already. There is no better way to understand the Montessori program than to experience it yourself. We typically have observations on school days from 9:30 am- 10:15 am or 3:30 pm- 4:15 pm. Please call or email with two dates you are available and we will confirm.
2. Fill out and return our Application with a non-refundable \$75.00 Application fee. If your request is for immediate enrollment and CDM is at capacity, **we will be honest about your chances of getting into your desired program.** With that information, you may choose to place your child's name on an appropriate wait list (Preschool, Kindergarten, 1st grade).
3. When an opening occurs, the parent/guardian will be contacted. Once a placement has been offered, parents have 72 hours (3 days) to contact the school and accept/decline the position. Upon acceptance, you will receive an Enrollment agreement via email.
4. Please fill out the Enrollment Agreement and return it to CDM with the enrollment fee materials fee \$175.00 total. **It is important to understand that your child cannot be guaranteed a slot at CDM until the Enrollment agreement and \$175.00 fee are submitted.**

Please note we accept subsidized childcare payments; please contact us.

We are excited you are considering Country Day Montessori and look forward to growing with your child and your family!
